Shooting Stars Instructional Basketball League for girls is a professional program which combines expert skill instruction with league games weekly. Each of our eight weekly sessions will be divided into two parts. The first hour will be used to teach all of the fundamental basketball skills, rules and terminology. The second hour will be reserved to play the league game. During both league play and skill development, players will be grouped by age and will play against others with similar playing ability.

**Fall League Locations**

- ★ Redeemer, Cuyahoga Falls
- ★ Chagrin Falls Intermediate
- ★ Kent State Rec. & Wellness

**LEAGUE DIRECTOR

# SHOOTING STARS Instructional Fall Basketball League

- Players will meet for eight, two-hour sessions.
- Each weekly session will be used to teach all the individual fundamental basketball skills while the second hour will be our league game.
- The skills offered will become progressively more challenging as participants develop and gain confidence.
- Players will ultimately master fundamental skills to which players three to four years older have never been exposed.
- As a player, coach and licensed official, Chris Marciniak will provide expert skill instruction, a better understanding of the rules, and important explanations regarding basketball terminology.
- Players will be matched and play against others with similar playing ability.
- A positive, self-confidence building approach will be used in teaching each player.
- Each player will receive an individual tip sheet.
- All players will average two quarters of playing time per game regardless of skill level.
- All players receive a league shirt.
- Foul shooting and shooting contests will be conducted throughout the duration of the league.
- A special awards presentation will follow the eighth session.

**Open Registration
